

The site plan illustrates the proposed development at the junction of the A166 and A166B roads. The plan shows the layout of the development, including the proposed road layout, existing roads, and surrounding areas. Key features include the proposed road layout, existing roads, and surrounding areas. The plan is divided into two parts, Part A and Part B, and includes a legend for the proposed road layout and existing roads. The plan also shows the location of the development relative to the A166 and A166B roads, and the surrounding areas.
