# HSVP - PAST, PRESENT, FUTURE

- The Haryana Urban Development Authority, a statutory body of Haryana Government, was constituted under the Haryana Urban Development Authority Act, 1977.
- HSVP, as an organization, has built cities on modern town planning concepts, fulfilling dreams of millions and emerged as an organization that others envy and copy while Haryana takes pride. HSVP can take pride in its becoming an organization which has a social face and which enjoys tremendous credibility and respect not only in Haryana but all over India.
- HSVP has 30 urban estates (townships) in Haryana. The main functions of the Authority are to promote and secure development of urban areas by acquiring undeveloped land. It develops and disposes off land for residential, industrial, institutional and commercial purposes. It develops world class physical infrastructure for its townships like roads & bridges, water supply and sewerage systems, storm water drainage systems and horticulture works. HSVP has also been providing the basic infrastructure facilities for health care, education, recreation, environment, industry and community development.
- The Authority also undertakes development in the National Capital Region thereby ensuring proper coordination with the Central and other State Governments.
- Another job of HSVP is to utilize the surplus Government land thereby generating additional resources for the state exchequer.
- Built upon a tradition of integrity and professionalism, we are committed to make a difference in all that we undertake engineering innovative solutions, providing services par excellence, and delivering projects of exceptional design and quality.

### Aims of HSVP

- To design, develop and manage urban infrastructure of the highest standards.
- To provide affordable housing to all sections of society.

### Present Activities

Acquisition of land, Planning & Urban Design Development with basic infrastructure facilities. Sale of developed residential, commercial, industrial and institutional properties.

### New Initiatives

- Floatation of Exclusive Defence Sectors.
- 100% waivers of Extension Fee for Widows & 90% for Women Allottees.
- Day Care Centres in each Urban Estate.
- Poly Clinics.
- 100% Computerisation of Allottee Accounts.

### Professional Expertise

- Town Planning
- Architecture
- Engineering
- Landscape Architecture
- Horticulture

## **Future Projections**

Creation of Modern Urban Infrastructure comprising Multiplexes, Mendacities, Education City, Shopping Malls, Hotels, Multilevel Parking, Convention Centers, Habitat Centers at Gurugram & Panchkula, Setting up of Cultural Centres at Gurugram, Faridabad & Panchkula, Development of Cultural Community Centres, etc.

## Sector Transferred to Urban Local Bodies.

After floatation and development of Sectors, maintenance of various services of these Sectors for a period of 10 years is under purview of HSVP. However, HSVP has been maintaining services in its Sectors for a much longer period. Since maintenance of these services was a cause of financial burden on HSVP, as such, after approval from competent authority, maintenance of all the services (except water supply and sewerage) of many old Sectors of HSVP (except at Gurugram and Faridabad) have been transferred to Urban Local Bodies Department. At Gurugram and Faridabad, maintenance of all the services has been transferred to Urban Local Bodies Department. Gist of such Sectors is as under:

	Year 1992	Year 2001	Year 2016	Total
