Memo No. CE/EE-W/ 2121-37

Dated 23/2/15

Subject:- Implementation of the orders passed by National Green Tribunal dated 26.11.2014, 04.12.2014 and 19.01.2015 in original Application No. 21 of 2014 in the matter of Vardhman Kaushik V/s Union of India and Ors.

Ref:- In continuations of CE, HUDA letter No. 2068-73 dated.19.02.2015 addressed to all Administrators and CE, HUDA letter No.1907-16 dated16.02.2015 addressed to all SEs in field.

I have been directed to intimate that the directions given by National Green Tribunal vide orders dated 26.11.2014, 04.12.2014 and 19.01.2015 in original Application No. 21 of 2014 in the matter of Vardhman Kaushik V/s Union of India and Ors. were discussed in the meeting held on 12.02.2015 under the Chairmanship of Principal Secretary, Environment Department, Govt. of Haryana. The copy of minutes of meeting issued by Haryana Pollution Control Board Panchkula vide No-HSPCB/2015/ 1165-68 dated 12.02.2015, already sent along with copy of with orders of NGT through E-mail for sending the action taken report.

The list of directions passed by the NGT also applicable to HUDA areas under the jurisdictions of Zonal Administrators/E.O.s and Engineering Wing of HUDA.

It is requested that the following directions shall be complied with immediate effect to ensure the compliance of above orders of NGT.

Orders dated 26.11.2014

1. No person shall be permitted to burn plastic or any other material in the open area. If any person is found to be burning plastic or any other material including tree leaves in the open area, he would be liable to be prosecuted in accordance with law. Necessary steps shall be taken with the help of police to ensure that such activity is stopped hence forthwith.

2. HUDA shall create a web portal where any person aggrieved can take the photographs and upload the same with details of location etc. bringing it to the notice of these authorities.
3. HUDA shall create special force to enforce this direction and ensure its compliance.
4. HUDA shall ensure that tarred roads for regular traffic are not permitted to be used for parking thus causing avoidable congestion of traffic.
5. It shall be ensured that there is a free flow of traffic and is not unnecessarily obstructed by excessive and unregulated parking on the road.

Orders dated 04.12.2014

6. Concerned Administrator shall consider the proposal of charging of higher parking fee, higher registration fee and imposition of congestion charges.
7. Concerned Administrator shall ensure that there is no unauthorized parking and whenever a vehicle breaks down on the roads, the same should be removed immediately and without any undue delay. The arrangement shall be made with the help of police for towing cranes easily accessible.
8. HUDA shall coordinate with HSIIDC wherever required to ensure expeditious completion of the project of Kundli-Manesar-Palwal (KMP) Express way by year 2016.
9. HUDA shall take up the projects for completion of Fly way if any and to connect all existing Fly Over without obstruction and traffic lights on top priority.
10. HUDA shall coordinate the concerned organizations if required, to ensure the time bound completion of Eastern Peripheral Express Way (EPE).
11. HUDA shall take immediate effective steps so that parkings are marked distinctly and no vehicle is permitted to be parked beyond parking areas to ensure that free flow of traffic is maintained in the shopping/city center and commercial belts in HUDA area.
12. HUDA shall ensure complete prohibition on burning of garbage, plastic, rubber or other material in the open areas. Estate Officers incharge of the area shall be personally responsible for activities of cleanliness. If any person is found to be causing such pollution then besides the action that can be taken against such person shall be liable to pay compensation in terms of Section 15 of the

N.G.T Act 2010 under the principle of polluter pays. This compensation may vary depending on facts and circumstance of the case from Rs. 20,000 to Rs.1 lakh per incident.

13. HUDA shall ensure that there should be no hot mixing on the road side, during construction and maintenance of road. It shall also be ensured that coal tar, bitumen and asphalt is brought in molten condition and same is neither burnt nor fire is put to melt these substances on open roads.
14. The demolition material and construction material shall not be transported without proper coverage and precautions, thus causing serious air pollution.
15. No Govt. authority, contractor, builders would be permitted to store and dump construction material or debris on the metalled road.
16. Such storage shall not cause any obstruction to the free flow of traffic and/or inconvenience to the pedestrians. Every builder, contractor or person shall ensure that the construction material is completely covered by tarpaulin. To ensure that no dust particles are permitted to pollute the air quality as a result of such storage.
17. It shall also be ensured that appropriate protection measures are taken by raising of wind breakers of the appropriate height on all the sides of plot/area using plastic and/or other similar material, to ensure that no construction material dust fly outside the plot area.
18. The builder/contractor will be responsible to ensure that their activity does not cause any air pollution during the course of the construction and/or storage of material or construction activity. Defaulter shall be liable to be prosecuted under the law in force.
19. Executive Engineers of HUDA would be personally responsible for effective compliance of these directions and shall submit report to the Chief Engineer without delay and default every week. This will apply to construction of all the roads highways in the NCR region.
20. All trucks or vehicles of any kind which are used for construction purposes and/or are carrying construction materials like cement, sand and other allied materials shall be fully covered, dust free and/or other precautions would be taken to ensure that en-route their destination, the dust, sand or other particles are not permitted to be released in the air and/or contaminate air. Any truck which is not complying with these directions would not be permitted to enter in the NCR region.

21. Concerned Administrator/ Estate Officer shall ensure that there shall be no burning of any material at the earmarked land fill sites.
Orders dated 19.01.2015
22. To identify the places where multilevel parking can be constructed.

The above instruction shall be strictly and meticulously followed to ensure the compliance of orders National Green Tribunal

This issue is with the approval of Chief Administrator HUDA.
